

Copper Mountain Mining Corporation (CMMC) is a TSX/ASX listed copper producer, developer and explorer in world class mining jurisdictions. Copper Mountain's flagship asset is the 75% owned Copper Mountain mine located in southern British Columbia near the town of Princeton. The Copper Mountain mine produces over 100 million pounds of copper equivalent per year with a large resource that remains open laterally and at depth. Copper Mountain also has the development stage Eva Copper Project in Queensland, Australia, which is expected to add approximately 100 million pounds of copper on an annual basis, in addition to an extensive 210,000 hectare highly prospective land package in the Mount Isa area. Headquartered in Vancouver, BC, Copper Mountain trades on the Toronto Stock Exchange under the symbol "CMMC" and Australian Stock Exchange under the symbol "C6C".

Position

Project Coordinator

Location

Princeton, BC

Summary

Reporting to the Construction Manager, the Project Coordinator is responsible for providing project planning and coordination to support project development and construction activity at the Copper Mountain Mine.

Key Responsibilities

- Monitor construction progress against budget and forecasted schedule.
