

Tailings Equipment Operator

Copper Mountain Mining Corporation is a TSX/ASX listed copper producer, developer, and explorer in world-class mining jurisdictions. Copper Mountain's flagship asset is the 75% owned Copper Mountain mine located in southern British Columbia near the town of Princeton. The Copper Mountain mine has a +30-year mine life based on resources and produces over 100 million pounds of copper equivalent per year with exceptional upside.

The Copper Mountain mine currently produces approximately 100 million pounds of copper equivalent per year. With a future mill expansion and the integration of New Ingerbelle, the Copper Mountain Mine is expected to produce approximately 140 million pounds of copper equivalent per year over the first 20 years of its 32-year mine life based on reserves. Copper Mountain is committed to the safe, responsible mining of copper, which is vital to powering a clean-energy future.

Become a Part of Our Team

As we continue to grow Copper Mountain Mining Corporation, there are many career development opportunities available for motivated and goal-oriented individuals.

Work with us and you will benefit from the mentorship and guidance of experienced team members because we understand that in order to accomplish our goals, we must work as a team and rely on the effort of every team member.

Position

Tailings Equipment Operator

Location

Copper Mountain Mine is located near the town of Princeton, British Columbia at the center of the scenic Similkameen Valley. Princeton is a community-oriented town with a diverse offering of activities, especially for those who love the outdoors. Princeton is also in close proximity to both the city of Vancouver and the Okanagan.

Summary

Reporting to the Supervisor, Tailings, the Equipment Operator, Tailings is responsible for providing full oversight of the operation of tailings equipment in accordance with best practices and safe operating procedures in order to maintain roads and tailings storage facility construction.

This is a temporary 6-month full-time role on a 7x7 rotation, 12-hour shifts, and a day shift roster.

Responsibilities

- Ensures site compliance with mining regulations and follows Copper Mountain Mine site's safety, quality, and environmental standards in all aspects of work,
- Observes Occupational Health and Safety Act, Mines Act, and Copper Mountain SOPs,
- Assists in pipefitting and fusing,
- Works with dozer, excavator, grader, and articulating rock trucks,

- Assists in any operational issues in any area of the mine including relines and support maintenance on mill shutdown days,
- Provides bolting and unbolting HDPE pipe,
- Performs any other responsibilities related to the Operator, Tailings position as required or as assigned by the department head.

Education & Experience

- High School Diploma or General Educational Development (GED),
- Must have safe rigging or be able to obtain certification,
- Minimum of two (2) years in the operation of Dozer, Excavator, Grader, and Articulating Rock Truck,
- Pipefitting/fusing, tailings facility experiences preferred,
- Possess a valid Class 5/7N British Columbia driver's license and have access to personal transportation.

Required Skills

- Possess strong communication and interpersonal skills,
- Have high regard for personal safety and the safety of company property and employees,
- Demonstrated ability in operating equipment as listed by mine procedures and standards – Road Maintenance, Dam Construction,
- Working knowledge of Tailings and Mill operations as an asset,
- Demonstrates ability to service own equipment,
- Ability to work in a fast-paced environment,
- Strong work ethic, capable of performing tasks with minimal supervision,
- Strong mechanical skills,
- Will be required to be clean-shaven,
- Required to meet pre-employment testing requirements.

Working Conditions

- Work requires working in heavy industrial environments; this may have conditions that include adverse temperature conditions, both hot and cold; in and/or around moisture; walking on slippery and/or rough, uneven surfaces, in confined spaces; at heights; and involves climbing ladders and stairs,
- Frequent exposure to uncomfortable conditions associated with the work environment such as noise and working in dusty and wet environments.

To Apply

To apply, please send your cover letter and resume to humanresources@cumtn.com. Please include **'Tailings Equipment Operator'** in the subject line of your email response.

Copper Mountain Mine is an equal opportunity employer committed to diversity, equity, and inclusion. While we consider all qualified applicants for employment and thank all applicants for their interest, only those selected for an interview will be contacted.
