About Copper Mountain Mining Corporation:

Copper Mountain's flagship asset is the Copper Mountain mine, located in southern British Columbia near the town of Princeton. The Company has a strategic alliance with Mitsubishi Materials Corporation who owns 25% of the mine. The Copper Mountain mine has a large resource of copper that remains open laterally and at depth. This significant exploration potential is being explored to maximize the property's full development potential. Copper Mountain's Cloncurry project in Queensland, Australia, includes the development-ready Eva Copper Project and an extensive exploration potential within the Company's 379,000 hectare highly prospective land package.
