About Copper Mountain Mining Corp.:

Copper Mountain is a Canadian resource company managed by an experienced team of professionals with a solid track record of exploration and development success. The Company’s shares trade on the Toronto Stock Exchange under the symbol “CUM”. Copper Mountain owns 75% and Mitsubishi Materials Corporation owns 25% of the Copper Mountain mine. The 18,000 acre mine site is located 20 km south of the town of Princeton in southern British Columbia. The Copper Mountain mine has a current resource of approximately 5 billion pounds of copper. Currently, the project is fully financed (\$438M) and in construction. Pre production mining activities are underway and construction is on schedule for the mine to produce approximately 100 million pounds of copper per year by mid 2011. Additional information is available on the Company’s web page at www.CuMtn.com
