

Mine Maintenance - Shovel & Drill General Foreman

Copper Mountain Mine is a large scale open pit copper mine located in south central British Columbia. The mine has evolved into a mature and highly efficient operation with a long term mine plan and significant opportunity for mine life extension. If you like to work with people in a working environment to deliver results, and you enjoy an active outdoor lifestyle with easy access to city life, this could be your opportunity.

Working as part of the Mine Maintenance team to safely and efficiently maintain the shovel and drill fleet, the successful candidate will:

- Provide guidance to the shovel and drill crew, OEM and other contractors
- Work closely with the shovel & drill planner and other supervisors
- Create and foster a positive work environment
- Focus on equipment availability and reliability, maintaining availability at or above budget
- Oversee all projects related to shovel and drill maintenance and improvement
- Manage shovel and drill maintenance costs within budget
- Assist in the preparation of the month end report and annual maintenance department budget
- Analyze the effectiveness of labour utilization
- Ability to work under pressure and resolve conflict and interpersonal issues
- Demonstrate strong leadership skills and lead by example

Safety:

- Lead by example, and set clear expectations for safe work practices
- Ensure full compliance with all SOPs, and the Health, Safety, and Reclamation Code for Mines in BC
- Use risk assessment process for managing safety effectiveness
- Follow all environmental policies and comply with all legislation
- Mine Supervisors Certificate an asset

Qualifications

- Red Seal trade certification
- Minimum of 5 to 10 years of varied maintenance experience within the mining industry, or, an equivalent combination of education, training, and experience
- Previous experience as a supervisor
- Have excellent written and verbal communication skills
- Strong computer skills including Microsoft Office Suite
- Excellent interpersonal skills with the ability to liaise with other departments
- Valid driver's license

Pay and Benefits

CMM offers a competitive wage, comprehensive benefit package and RRSP contributions for retirement planning. **There is no camp provision at Copper Mountain Mine.**

This is a Monday – Friday (5x2) position. All qualified persons are invited to apply; **applicants must be legally entitled to work in Canada.**

You will be required to participate in a pre-employment drug & alcohol screening and a medical.

Send resume outlining related qualifications to hr@cumtnop.com (in either word or pdf).

We wish to thank all applicants for their interest and effort in applying for the position; however, only candidates selected for interviews will be contacted.

Your application to this posting is deemed to be your consent to the collection, use and necessary disclosure of personal information for the purposes of recruitment. Copper Mountain Mine respects the privacy of all applicants and the confidentiality of personal information.
