

## Heavy Duty Mechanic

Copper Mountain Mine is a large scale open pit copper mine located in south central British Columbia. The mine has evolved into a mature and highly efficient operation with a long term mine plan and significant opportunity for mine life extension. If you like to work with people in a working environment to deliver results, and you enjoy an active outdoor lifestyle with easy access to city life, this could be your opportunity.

The successful candidate will be required to perform mechanical preventative maintenance and repairs working in the shop and field locations. The Heavy Duty Mechanic shall be required to work safely with multiple trades in a production environment. The qualified candidates will need experience in the mining industry, be self-starters and be able to work with minimal supervision.

### Qualifications

- Red Seal Interprovincial Heavy Duty Mechanic certification
- Previous experience working on Komatsu 830E haul trucks, D375 dozers, Cat 16M graders, Komatsu PC8000/PC2000 shovels, and Atlas Copco 271/351 Pit Viper drills an asset
- The successful applicant must be able to diagnose faults or malfunctions in all mobile mining equipment and then determine the safe and more efficient method of repair
- Welding ticket would be considered an asset
- Valid driver's licence required

### Pay and Benefits

Copper Mountain Mine offers a competitive wage, a comprehensive benefit package including RRSP contributions, and tool allowance.

This is not a camp operation and therefore the successful candidate will be required to relocate to the area or travel and accommodation will be the responsibility of the successful applicant.

This is a shift position (7x7 rotation) that will provide 24/7 shift coverage. All qualified persons are invited to apply.

**You will be required to participate in a pre-employment drug & alcohol screening and a medical.**
