

Mill Trainer

Copper Mountain Mining Corporation is a TSX/ASX listed copper producer, developer, and explorer in world class mining jurisdictions. Copper Mountain's flagship asset is the 75% owned Copper Mountain mine located in southern British Columbia near the town of Princeton. The Copper Mountain mine has a +30 year mine life based on resources and produces over 100 million pounds of copper equivalent per year with exceptional upside.

The Company also has the development-stage Eva Copper Project in Queensland, Australia in addition to an extensive 210,000 hectare highly prospective land package in the Mount Isa district. Headquartered in Vancouver, BC, Copper Mountain trades on the Toronto Stock Exchange under the symbol "CMMC" and Australian Stock Exchange under the symbol "C6C".

Become a Part of Our Team

As we continue to grow Copper Mountain Mining Corporation, there are many career development opportunities available for motivated and goal-oriented individuals.

Work with us and you will benefit from the mentorship and guidance of experienced team members because we understand that in order to accomplish our goals, we must work as a team and rely on the effort of every team member.

Position

Mill Trainer

Location

Copper Mountain Mine is located near the town of Princeton, British Columbia at the center of the scenic Similkameen Valley. Princeton is a community-oriented town with a diverse offering of activities, especially for those who love the outdoors. Princeton is also in close proximity to both the city of Vancouver and the Okanagan.

Summary
