

## **Manager, Investor Relations & Corporate Communications**

Copper Mountain Mining Corporation is a TSX/ASX listed copper producer, developer and explorer in world class mining jurisdictions. Copper Mountain's flagship asset is the 75% owned Copper Mountain mine located in southern British Columbia near the town of Princeton. The Copper Mountain mine has a long mine life and produces over 100 million pounds of copper equivalent per year. Copper Mountain also has the development stage Eva Copper Project in Queensland, Australia, which is expected to add approximately 100 million pounds of copper on an annual basis, in addition to an extensive 210,000 hectare highly prospective land package in the Mount Isa district.

Copper Mountain is a leading and innovative mining company, driven by our purpose to Power a Sustainable Future. We mine with integrity and we are committed to the safe, responsible mining of copper, which is vital to powering a clean-energy future. Copper Mountain recognizes that different life experiences, backgrounds, and mindsets are key to driving innovative problem-solving, which is why we are committed to creating diverse teams, empowering our people, and fostering creative and innovative thinking. Headquartered in Vancouver, BC, Copper Mountain trades on the Toronto Stock Exchange under the symbol "CMMC" and Australian Stock Exchange under the symbol "C6C".

### **Become a Part of Our Team**

Work with us and you will benefit from the mentorship and guidance of experienced professionals because we understand that in order to accomplish our goals, we must work as a team and rely on the effort of every team member.

### **Position**

#### **Manager, Investor Relations & Corporate Communications**

### **Location**

Vancouver, BC or Toronto, Ontario. Willingness and ability to travel is required. This position provides opportunity to work remotely or in the office providing flexibility in location and lifestyle.

### **Summary**

Reporting to the EVP, Strategy & Corporate Development, the Manager, Investor Relations & Corporate Communications is responsible for managing Copper Mountain Mining Corporation's Investor Relations and Corporate Communications.

This key role provides an opportunity to work with an evolving cross functional team and play an important role in defining the future of sustainable mining, through advancing new ideas and supporting implementation of new technologies.

### **Key Responsibilities**

- Manage the Company's investor relations and corporate communications activities with the goal of attracting and retaining investors, maximizing Copper Mountain's share value and increasing public support and awareness.

- Regularly communicate with institutional and retail investors as well as research analysts.
- Draft news releases, annual reports, presentations, scripts, digital content, and other marketing materials.
- Work in partnership with team members to assure high-quality outbound corporate materials and presentation elements, in line with the Copper Mountain brand.
- Lead ESG disclosure and communication alongside the Company's Sustainability team on broad-based internal and external communication on ESG initiatives.
- Provide leadership on the strategic use of digital platforms, including managing social platforms to engage in online conversations to deepen engagement, and build a social media following.
- Manage and update the company website on a regular basis.
- Coordinate and attend investor conferences.
- Perform other duties as required.

### Education & Experience

- 6-8 years of investor relations and corporate communications experience, with solid capital markets knowledge.
- Bachelor's and/or advanced degree in Commerce or Corporate Communications; equivalent combination of education and experience in related field of study may be considered.
- Experience working directly with senior executives.
- Experience speaking with analysts, investors and the media.
- Mining experience an asset.
- Experience with graphic and digital design an asset.

### Required Skills

- Exceptional oral and written communication skills, including the ability to present ideas clearly.
- High degree of business acumen and ability to think strategically.
- Ability to identify key technical and business issues and develop innovative solutions.
- Ability to take initiative, influence and work independently across different levels of the organization.
- Ability to work in a fast-paced, dynamic environment managing multiple priorities under tight deadlines and long hours periodically, when required.
- Strong attention to detail and exceptional organizational skills.
- Proficient computer skills, with advanced knowledge of Microsoft Office applications (Power Point, Word, Excel) and ability to learn new software.
