

Driller Helper

Copper Mountain Mining Corporation is a TSX/ASX listed copper producer, developer, and explorer in world-class mining jurisdictions. Copper Mountain's flagship asset is the 75% owned Copper Mountain mine located in southern British Columbia near the town of Princeton. The Copper Mountain mine has a +30-year mine life based on resources and produces over 100 million pounds of copper equivalent per year with exceptional upside.

The Company also has the development-stage Eva Copper Project in Queensland, Australia in addition to an extensive 210,000 hectare highly prospective land package in the Mount Isa district. Headquartered in Vancouver, BC, Copper Mountain trades on the Toronto Stock Exchange under the symbol "CMMC" and the Australian Stock Exchange under the symbol "C6C".

Become a Part of Our Team

As we continue to grow Copper Mountain Mining Corporation, many career development opportunities are available for motivated and goal-oriented individuals.

Work with us and you will benefit from the mentorship and guidance of experienced team members because we understand that to accomplish our goals, we must work as a team and rely on the effort of every team member.

Position

Driller Helper

Location

Copper Mountain Mine, is located near the town of Princeton, British Columbia at the center of the scenic Similkameen Valley. Princeton is a community-oriented town with a diverse offering of activities, especially for those who love the outdoors. Princeton is also in close proximity to both the city of Vancouver and the Okanagan.

Summary

Reporting to the Mine Operations Supervisor, the Helper, Drilling is responsible for working closely with a Driller and providing assistance to the drilling team where needed.

Key Responsibilities

- Obtains accurate samples from the drill cuttings of each hole as per company SOP, delivers them to the mill lab on a shift-by-shift basis, and ensures the correct documentation follows each sample,
- Initiates and safely completes all cable moves for the electrical drills and shovels using the approved tools for moving the cable without unnecessary risk of damage,
- Delivers dust suppression water, drill bits, and drill string components to the drills as required, including daily removals of all used components from the drills and delivers to the proper disposal locations,
- Collects garbage, checks on supplies at the fuel islands, and stocks up as required,

- Checks that all trailing cable is on stands, picks up cable stands that are not in use, and returns them to the storage area,
- Replaces any cable stands that are being used for delineation with the orange/red delineators,
- Assists the drillers in changing drill bits and steel as required,
- Cleans the drill helpers' truck, drill/water truck, and cable reeler weekly,
- Performs any other responsibilities related to the Helper, Drilling role as required or as assigned by the department head.

Education & Experience

- High School Diploma or General Educational Development (GED),
- Previous manual labour work experience is considered an asset,
- Possess a valid Class 5/7N driver's license and have access to personal transportation.

Required Skills

- Possess strong communication and interpersonal skills,
- Ability to get trained on various equipment, learn from others and adopt best practices while maintaining a strong focus on safety, integrity, and reliability,
- Possess a solid mechanical ability/aptitude,
- Self-motivated and able to work alone or with minimal supervision,
- Required to meet pre-employment testing requirements.

Working Conditions

- Work requires working in heavy industrial environments; this may have conditions that include adverse temperature conditions, both hot and cold; in and/or around moisture; walking on slippery and/or rough, uneven surfaces, in confined spaces; at heights; and involves climbing ladders and stairs,
- Exposure to working outdoors in all weather conditions, operating a light vehicle at our operations, in various weather conditions and terrain, including winter driving,
- Regular exposure to lifting and moving items and equipment up to 50 pounds.

Other Requirements

- Successful completion of pre-employment screening requirements and drug & alcohol testing,
- Provide proof of a valid class 5/7N driver's license,
- Demonstrate eligibility to work in Canada,
- Provide confirmation of valid educational requirements.
